

ALLEN SCHOOL NEWSLETTER

OCTOBER 2019

FROM THE EXECUTIVE DIRECTOR:

Hello Allen School Family!

We are so excited for the changes happening at our school! My name is Sherrie Ivy and I am the new Executive Director. I have been working at the school for 17 years as a special education teacher. While I enjoyed working with the children, I'm ready for a new challenge. I'm very pleased that I will be able to serve The Allen School in a new capacity. We also have a new Director of Operations, Ashley Howard. She has worked as an occupational therapist for the school for 20 years. She will be handling the day to day operation of the school. We have another new position, Director of Marketing and Development, which has been filled by Morgan Karrant. Morgan has been with us 8 years and was formerly the Aftercare Supervisor. Now, she'll be busy raising awareness of the school in our community and with doctors. Together, we want to lead The Allen School into a new era serving children with special needs and their families. If you have any questions or concerns, we are available to you.

Thank you,

Sherrie Ivy, M.Ed.
